These changes have been made and the 2 loan applications are ready for you to sign. Please understand we are dealing with record volume these days, therefore, you are being processed as a priority and there may be certain delays.

However, please let me know when these are signed so that I can get them in for you.

Hi J,

I copied the funding address from your previous loans, which appears to be an external USDC wallet address you have. If you would like, I can cancel these and resubmit them with your BlockFi USDC address. Please let me know how you would like to proceed.
